

# In the Fire of Transformation: Samhain Vedic Fire Ceremony for ancestral healing

**Sunday 6<sup>th</sup> November 2016 from 2 pm until 6 pm**

at Akuaha Eco Retreat, Volcano, Hawai'i (address/directions given on registration)

Vedic Fire Ceremonies, also known as *havan* or *yagya*, originate in India and are among the oldest rituals in the world. The ceremony is a symbolic form of communication with the Divine and is also a strong tool for healing, emotional purification and transformation. The days around Samhain on 31<sup>st</sup> October are a time when the veils between the worlds are especially transparent. It is most beneficial for all types of rituals, in particular ancestral ones.

In this fire ceremony, we will work with Vedic mantras that will help us to let go of the old, free ourselves from outworn karmic patterns and to invite a new, healing energy into our lives. In particular, we will work with our ancestral energies and the healing of long-standing issues and traumas that run through our family lines. An optional traditional Hawai'ian offering ceremony and potluck feast will take place at Halema'uma'u crater, home of Goddess Pele, after the workshop.

Please register early as number of participants for this ceremony is limited. To book your place and for more information, please e-mail [travellingpriestess@gmail.com](mailto:travellingpriestess@gmail.com) or call (808) 457-8201.

Contribution inclusive of all ceremonial items \$50 per person advance (booked by Nov 5), \$60 thereafter. Sliding scale available, please e-mail Srila to enquire. Pre-ceremony instructions will be sent out by email once you register.
